

Who We Are?

About US

The 24153 Club is a non-profit booster club founded by members of the community to raise funds in support of the Athletic Department of Salem High School in Salem, VA.

What Makes Us Unique?

Flexible Giving Options

1. Donate to a particular sport

The 24153 Club accepts both designated and un-designated monetary donations. For the first time in the history of Salem High School Athletics, you have the options to choose which team you would like to support.

2. Donate without designation

You may choose to donate without a designation in which case your donation will be split evenly among the teams using a pre-determined formula outlined in our by laws.

3. Donate directly to the Club

The club itself has operating expenses. When funds are donated directly to the club, the executive committee and board will make decisions on how best to allocate those funds. Those allocations will be made in accordance with our by laws.

NOTE: The club will distribute funds as requested by the Athletic Director at Salem High School
